Details of Service Provider:

The Premises:

A typical top floor walkup near China town. The bedroom is clean and spacious.

The Lady:

Camella is a slim, dark haired, leggy East European girl with small A cup breasts. Camella's best features are her bum and legs.

The Story:

The session consisted of covered oral which I did enjoy because it was performed slowly with lots of licking. We then had sex in the doggy position with me standing. I took it slowly and gave Camella's bum a good squeeze before succumbing to orgasm.
