The Premises:

A clean and safe parlour, reasonably discreet. The inside is finished to a high, luxurious standard.

The Lady:

Dirty blonde, around mid-30s, size 10, around 5'8", curvy with a sexy smile and biggish tits, pierced nipple. Some tattoos on arm and back but not tacky ones.

The Story:

Melanie is very chatty and easy to get on with which made me comfortable. She offered a massage I refused. We cuddled and she ran her hands over my chest, arms and cock. She put the condom on and started to suck my cock, lots of tongue action. Asked her to go on top. She rocked back hard and had good rhythm. We switched to doggy and I fucked her for a bit and felt her getting wet. Then she went on her back, I licked her out for a while before finishing in mish with her scratching my back and pulling my hair.

Very enjoyable. Melanie is easy to get on with but slightly eccentric but so charming with it. She has a natural sexiness and is very good at what she does.
