The Premises:

Karma Sutra Girls in South Manchester. Easy to find and has a discrete rear entrance. Clean inside, lovely comfy sofas and the receptionist was nice and friendly too. The shower in the room was great too with more than enough space to get two people in it.

The Lady:

Pictures on the KSG website are an accurate reflection of her. She's in her 20's, petite, has lovely blonde hair, a gorgeous smile, cute face, and a very fit toned body. She's also a really sound and down to earth girl and I like her voice.

The Story:

Lacey was wearing the black lingerie set shown in her photos, but this didn't stay on for too long as I asked her to wear a little black dress on that I brought along for her to wear for me. She was more than happy to do this. We soon began deep French kissing and necking each other for a long time, before pulling that dress down to reveal her lovely boobs and cute little nipples for some sucking.

She then slowly removed her thong so I could begin eating her sweet little pussy, which tastes good and is nice clean shaven too. Was great seeing her move her hips and moan as I used my tongue down there, not to mention getting me horny and hard too. Lacey then said it was my turn and began giving me a lovely blowjob. Her blowjobs are enthusiastic and great and as I hadn't cum for ages I didn't last long.

We then chatted and snogged even more, before Lacey started to give me another top blowjob, with some spitting and ball licking. On with the condom and we fucked each other in cowgirl, missionary and with her legs over my shoulders. We then finished with a HJ finish over her boobs.

We both then had a shower one after the other. She looked so cute and hot in the shower. Hopefully next time will join her in there.
