The Lady:

she says she is in her late 50's but i am not sure. maybe she looks into her 50's but her body looks much younger. infact i was bit surprised how her boobs hold up. she say no job done on them and i did not see any scar either. very nice skin and she keeps her self in shape.

The Story:

was shown into her living room first and got aquanted.made me sit next to her and fill me up.(it should have been other way but that is what happned)and she took me to her bed room which again was very nice and ordered me to take of my clothes. she had nothing else other that her panties which she new be off soon. she left that there on purpose i guess. rest was usual fun and men i mean it was fun.when i came neat her breast she said this was the long jump of cum.
