The Premises:

Flat over a small parade of shops. Parking in the forecourt of the shops & also on a side road. The flat is approached via an iron staircase & was fairly discrete as it was tucked behind a corner. The flat itself was clean & comfortable although I only saw the bedroom and the bathroom

The Lady:

Exactly the same as per the website which shows her face. She is a very pretty girl with a lovely smile which never left her face during the whole of the meeting.

The Story:

I was a little nervous as I am an old guy and she is very young. I needn't have worried because she greeted me with a smile and a welcoming kiss. I handed over the cash & I asked her what services she provided to which she replied "nearly all of them, within reason". She is quite a slim girl with a lovely figure which was revealed straight away. I love french kissing which she provided beautifully. This set the tone for a very enjoyable 45 minutes during which we indulged in owo, ro, lots of touching and sex. She appeared to enjoy the proceedings almost as much as I did. There was no holding back with this young lady; everything you could want was provided generously & cheerfully. As already stated her smile never left her face during the whole of the meeting & somehow she seemed to know what I wanted. I can only describe her attitude as superb. She was in no rush to get me out & we parted with a lovely kiss from this lovely lady. One2One have yet another star here. Where on earth do they get them from?
