### The Premises:

Well known townhouse in the center of Milton Keynes near Xscape.

### The Lady:

A previous FR was spot on: "The glamorous website pics are her, but in the flesh her face looks more like an attractive lady in her 30s with a body of a fit 24 year old." So while her website pictures are better than reality, she is blessed with a fabulous body. Lovely tan. Very very soft skin. Perfect boobs. Beautiful smile.

### The Story:

I originally booked to see Lara but she called in sick. Suzi was my second choice after seeing Jasmine an hour earlier. Only escorts occasionally and has another job. English is generally good, also speaks Spanish.

Very GFE oriented. I found her very calm and quiet but very much there for you. Friendly but serious. No fake noises. Lovely kissing and deep but light OWO. Sex in various positions. More OWO and a HJ but I couldn't cum and ran out of time. Not her fault - my 2nd punt and a blue pill is to blame.

She was very concerned about me leaving unhappy which I assured her I wasn't. I did enjoy my time with her and exploring her fabulous body. Overall, a lovely woman but I didn't connect very well with her and that's an important part of it for me.
