The Story:

Had a lovely booking with a south american lady in Mk recently so thought I would try my luck again , this time with a Brazilian stunner . Legs that go on for ever , breasts that you never get fed up of fondling , and kissing the way it was meant to be . Very enthusiastic and willing . Seemed to love receiving oral ... and not too shabby at giving either !! All in all a very horny GFE . can't wait to see again . Thanks Karina x . Highly recommended .
