The Premises:

steph's apartment is spotlessly clean and a lovely warm welcome is guaranteed.

The Lady:

How about a statuesque Red haired beauty to welcome me with her smiling face, sparkling eyes, such kissable pillow lips, and a soft Scottish accent which can give me an orgasm just to hear her say Hi.

Put this on top of a pair of legs which stretch forever up to her cute bottom, and her tiny waist, then her magnificent large breasts.

Always dressed to tease, and Im never dissapointed.

The Story:

I love to visit Spephanie, she always gives me a really warm welcome, dressed in something to tease me. This time a naughty sexy Schoolgirl, greeting me with a lovely warm kiss and a glass of green tea, and "Let's go into the bedroom and get naked" I was feeling extremely horny so no wasting time talking. I enjoyed her deep sensitive kisses whilst she expertly removed my clothes. "One of us is overdressed" she said so it was my turn to undress her (I love this bit -- It's just like opening a special birthday present). A nice few moments of her wonderful soft mouthed oral delight with loads of naughty eye contact. Today I was so very eager I couldn't wait to enjoy all our usual teasing foreplay, "I cant wait any longer I need a condom on now" and without any further delay my naughty little friend puffed out his chest and slid inside her to enjoy the delights of her gorgeous hot, wet, Pussy. Life doesn't get any better than this.

Thanks Steph, as always you were very special.
