### The Premises:

Emma's address was set in a very quiet street with no neighbour issues. The house itself was very clean, no issues with safety.

### The Lady:

Emma is a lovely looking lady but there are two things that stand out - her fabulous breasts, I think she said 36E

### The Story:

started with a very nice and putting at ease snog but it was time to get at those breasts, they were very firm and had large nipples for sucking. on with a condom and proceeded to some very good oral while all the time rubbing her breasts across my body.

To the main event sampled her on top with those breasts in my face and finished in missionary. not once did she look at the clock or seem dissinterested.

had a chat when finished and not thrown out of the door on completion like some.
