### The Premises:

Hotel in central London

### The Lady:

Blonde British girl, reasonably tall.

### The Story:

From a pure personality perspective there wasn't anything in particular that was wrong with Rebecca. She was good looking, polite and had a friendly way about her. Perhaps that was the big turn-off though, instead of taking some initiative she seemed more interested of holding a fairly long conversation about her lifestyle rather than us having fun together.

For that very reason I would not book Rebecca again.
