The Premises:

Very Clean and tidy. Quite busy around the surrounding area as its quite close to the shopping centre. So if you dont like being watched then tough!!

The Lady:

Emmy is stunning, She is as the description says. Very Good English.

The Story:

Emmy was my first punt in a while so it was good to see someone so warm and stunning. Emmy does not offer FK which was a shame but other than that she is very accomendating. We sorted out the papers and then was invited onto the bed where she laid playing with my arousing cock. She has lovely breasts and I could tell she has had a child. She is softly spoken and speaks good english despite previous reports. We got into some joint oral and she screamed out in delight that she was cumming. And that she did. Lovely!!! Sex was in various postions before finishing and emptying my load in Mish. She is a lovely young lady who I would see again. Maybe get to kiss her next time. Thank you Emmy if your reading this and will see you soon
