Erica has a perfect figure. Great legs and a wonderful pair of breasts. Her photos are accurate.

The Story:

We had met before and so the getting to know you phase was short - we caught up on news and what was happening after the main event.

We soon moved upstairs where clothes were discarded apart from the black stockings which accentuated Erica's perfect long legs. Erica had been shopping and had brought along some kit to have a fun tie-and-tease session. This is something she is just learning about but is proving a very quick student.

After an enjoyable time in the bedroom - time passes very quickly when you are having fun - we moved downstairs where I cooked a meal for Erica. We put the world to rights over a bottle of white wine. The perfect end to a most enjoyable evening. To be repeated.
