The Lady:

Donna is mid twenties and looks after herself. She also has a very pleasant manner. I've been seeing her regularly for a few years now and she's always been fantastic.

The Story:

Donna always gets me excited from the very start. She give great OWO and then loves to have the favour returned, which I happily oblige. We always manage a few positions before I can't hold back anymore and then we collapse in a heap on the bed for a nice post-coital chat. She never rushes me despite clearly being very popular. She is quite simply one of the best of the many women I have had the pleasure of. I would marry her if she would have me!
