The Premises:

Blue Ice is well reported and I have always find it safe and clean.

The Lady:

Daisy is a slim mid-twenties lady with a lovely nature. I have started seeing her more and more. She is chatty and enchanting, with a magical way about her. She is nice and slim with lovely small but pert breast. Her skin is lovely and soft. Her bum is small and firm. Her pussy is soft and well trimmed, but not shaved.

The Story:

Daisy always starts with a true GFE hug and kiss. Then before you know it she's giving OWO (always worth the extra tenner), something which she is particularly skilled at. I love licking her pussy, and will mostly do it for upwards of 20 minutes if she can handle it. The whole thing turns me on more than you can image. I can honestly say after being with Daisy I can't stop thinking about it for weeks, even though I am likely to see other girls. One of my regulars, and like Donna, I wish she would marry me. She is a very special young woman, I hope she knows it.
