The Premises:

Club ?25 has been open for about 2 weeks now and as the name suggests, prices start at ?25. The interior of the establishment is finished to a good standard which sets it apart from the other's in Attercliffe offering low cost services. The entrance is on the main road but I was told that another, more discreet entrance is being planned for the near future.

The Lady:

There were 2 ladies available (apparently there are normally 4) both were very attractive but I had already decided on Scarlet before I arrived. After a short wait she introduced herself, dark hair, medium height and a realistic dress size 8. She had C cup breasts which were pert and overall was very attractive. I would say that her reported age of 22 is not far off the mark.

The Story:

Scarlet was friendly and put me at ease, she asked if I wanted a massage which I accepted and was informed that extra services were on offer. I did not enquire further as I was happy to go for the ?25 service including covered oral and sex.

After the massage which involved ball tickling :D I was asked to turn over. She applied the rubber with her mouth and proceeded to give great oral which nearly finished me off. Again the balls got plenty of attention.

She told me she hoped I would bend her over the bed and f*ck her like a 'dirty whore'. How could I refuse?

All in all excellent service which is priced well below the market average. Sheffielders are indeed spoiled!
