The Lady:

Amy is stunning. Her face is blurred out on Debbie's website but they are hiding a real beauty. She has soft tanned skin, a lovely curvy figure and a truly fantastic pair of large natural boobs.

The Story:

After the formalities, we had a quick sit down and a chat over a cup of tea. Amy is very friendly and after some initial nervousness (on my part) we were getting on well. I opted for the house special and we started with a soapy shower together with plenty of slipping and sliding. Once we were good and clean we went back to the room and I lay down on the circular bed while she gave me a nice oily back massage and soon turned me over and gave me a great cock massage. This moved quickly into breast relief with her amazing assets. I then turned her over and began to fuck her tits which was starting to get me close to the edge. I wanted to come in her so we whipped on the rubber and she rode me for a while I enjoyed her oily boobs. She then laid on her back with her legs in the air and I finally crossed the finishing line.

A great punt with a lovely pretty girl who likes a laugh. I shall return to enjoy her oral which she assures me is out of this world!
