The Lady:

web site is accurate except her bust is never 32b, it may have been once but she has had a major boob job and they are a lot bigger now.

The Story:

superb OWO, have never had better, rather a pity there is no CIM, i certainly wanted to! Nice tight and hot pussy and I didnt last long with her on top. Didnt seem happy to kiss at all, i had to ask and she soon stopped it. The boob job may be quite recent because she told me her tits were very sensitive and I should be gentle with them, they felt very hard too. Friendly girl and an absolute expert at OWO.
