The Premises:

Basement flat in quiet residential street near Kilburn Park tube.

The Lady:

I chose Amelia because of her nice set of photos and 2 gushing FRs on **. Although it was definately the same lady, the photos cleverly hid the crinkly tummy and sad droopy 'spaniels ears'. She also looked a few years older than the claimed 22. Caveat emptor!

The Story:

Despite the initial disappointment of the above and the seeming lack of a spark, I must say that Amelia did try hard to please. She has an excellent oral technique which would give a woody to a cadaver. So I greatly enjoyed her initial bbbj to fairly rapid completion into her mouth.

Normally I'm well up to managing a second pop within the hour but today it was a little like trying to put toothpaste back into the tube, despite Amelia's valiant efforts. For a while, after a long oral session and enjoying watching her playing with herself, I briefly raised my game and connected in mish and doggy but thoughts of her baby scarred body must have intruded and I slid out. Many girls would have given up at this stage with 10 minutes left on the clock but Polish women are made of sterner stuff and using a combination of mouth and hand, she brought me to a second satisfying climax.

Although not my type, I can imagine that Amelia has a devoted band of regular clientele who enjoy the real MILF experience but I shall not be one of them.
