### The Lady:

Very good looking and classy lady. Slim but lovely curves in all the right places. Lovely boobs, hair, eyes. Perhaps slightly older than the 29 she claims, but young looking and beautiful.

### The Story:

Very friendly, classy lady with a lovely smile. Gave me her full attention throughout. Enthusiastic and very willing in bed. Great kissing and sex. That firm body feels wonderful to touch.

Although we had 2 hours the time went quickly. No clock watching and we over ran a little while just having a nice cuddle at the end.

My only disappointment was that she only does oral covered, but I should have checked that before hand.

Great GFE. Definitely recommended.
