The Premises:

Well reported: clean and spacious, with video in every one of seven rooms. Surprised to see another FR about Blue Ice which talked about safe on-street parking. There's a damned great free dedicated car-park!

The Lady:

Both slim girls (esp. Mel, who also has legs going on for ever), but with huge boobs. In their twenties, with dark hair.

The Story:

I'd made a promise to book these two after I met them on the car-park following a disappointing punt round the corner (see FR #104914, 26.7.2011), and finally made the booking. Strangely, again I met them outside, their having just done an early lunch-run. I can confirm that I was a victim of sexual abuse going up in the well-reported lift! Cock was groped through jeans, and tits were produced for me to slobber over.

Re-started again properly in the room a few minutes later, and this was a really first-class session. Began with Mel doing a very sexy strip in front of the mirror (she works, from time to time, as a lap-dancer) while Cheryl performed OWO on me. After that, things became a bit blurred. I had DFK and OWO (this latter being ?10 each on top of the standard 2G charge of ?80), and everybody was continually swapping round and swapping positions. Mel, in particular, is particularly adept at mouthing a stream of filthy encouragement, while Cheryl has a slightly sweeter nature - it's a very good combination. The highlight was when they both sucked me off at the same time. I don't quite know what it was, but one or both was doing something with mouth and tongue which I had never felt before: a truly amazing experience.

I learnt on this occasion that Blue Ice was about to start a promotion for the next couple of months. Most (all?) of the girls will be providing OWO at no extra charge. I tested this out, with Donna (another fantastic session with a very skillful young woman), yesterday, 17th. September, and it's true. Instead, for the extra ?10, I had CIM with her. What will be excellent value, by Birmingham standards, is ?80 for a 2G, incl. OWO from both. I'll be visiting later this week to avail myself.
