Profile Name: Dollymopp...A Real Lover Experience

Website: <http://www.dollymoppsboudoir.com>

Phone: 07904172001

The Premises:

Dolly's place is easily reached by public transport and there is some parking available. Having got there after dusk the area still felt very safe. Dolly has spent a lot of time furnishing her boudoir, you can really see her personality in it. With all the coloured lights, candels and mirrors etc it felt like stepping into another time/place.

The Lady:

Dolly is a very beautiful lady. Lovely body, fair skinned, black hair and if I must say great breasts.

The Story:

Dolly describes herself as a 'real lover' and that's what you get. Was greeted at the door with a wonderful kiss. Was offered and shared a bottle of wine while we chatted, she's a fascinating lady to listen to. As for the rest of the evening she really took care of me, always making sure everything was ok. The memory I always take away is what a great kisser she is. Perfect evening.
