The Premises:

Very smart, modern, clean flat with private parking.

The Lady:

Beautiful, ebony woman with enhanced tits and a very trim, looked after figure. Her arse is pleasantly round and squeezable. She has long dark hair, a full mouth and feline, come fuck me eyes.

The Story:

Gina is just awesome! Everything is done without any rush or obvious clock watching. She slinks around you and the room, gracefully and elegantly, taking great care to make sure you have an amazing time.

I loved the owo - she spent easily more than 30 minutes taking me to and keeping me on the edge before bringing me to a massive cim. Just amazing. She seems to be able to read me and did everything I wanted without me having to say a word - even down to having porn on in the bedroom. Gina managed to fulfill 2 fantasies of mine - having a truly hot, fit black woman and cim while watching the same on porn!
