The Premises:

Immaculately clean, very easy to find, (Serena will very happily direct you in). Her apartment is perfectly safe, about 10 minute walk from Earls Court tube station and with free parking just over the road. The shower and a fresh toothbrush were both welcome touches as I'd had a busy day and arrived flustered.

The Lady:

Serena is quite simply, utterly stunning. Serena has a lovely smile which would light up any room. The photographs on her site are most definitely her and look very recent. Treat her just right and you will certainly see the same cheeky smile. Her figure is wonderful, lovely pert breasts, fantastically smooth skin and just enough of a natural tan.

The Story:

I really can't praise Serena enough. Not only is she physical perfection, (petite but wonderfully shapely), she is a genuinely lovely lady to spend time with. Her blog gives you a good idea of her character and having now read a couple of her reviews, (I'd not done before we met), I can confirm she has a delightfully dominant side; if your idea of fun is to have a stunning lady climb onto of you and ensure she has as much pleasure as you do, then you can find no finer way to do this. I'm already looking forward to spending more time with her again as soon as we can arrange it..
