The Premises:

It's a flat used by Night & Day, it's a reasonable enough place even if the neighbours are a little on the noisy side.

The Lady:

Ash is about 5'4", slim but not skinny. She has dark hair and the most gorgeous eyes. Great breasts and a bum to die for.

The Story:

I see Ash quite regularly as she is quite simply stunning and really knows how to turn me on. Can't speak highly enough of her, beautiful, funny, intelligent, great company and super sexy (even if she has a preference for big pants).
