The Premises:

Been to GFE a few times now and yet to have a bad experience. It's clean, well run and the girls are all amazing.

The Lady:

Very hot, sexy MILF with an amazing body and fantastic tits. Particularly liked the pierced nipple!

The Story:

This is the second time I've been with Melanie and I can see myself becoming a regular. She's warm, friendly and genuinely seems to enjoy herself. I called ahead on this occasion to request that she be in her normal clothes and she was happy to do this. We started off by slowly undressing each other which always get me hard in no time. Once we were both undressed she went on to an amazing handjob and OWO. Guys this girl has amazing hands! By now I was rock hard and ready to blow so she put on the condom and we started fucking in several positions before finishing in my usual mish. I highly recommend you go and see her guys, you won't be disappointed. Thanks again Mel for a fantastic time.
