The Story:

Helen is most certainly a GFE. Started off with some DFK then moved to RO which she clealy likes. Then onto bed for some serious 69 side by side. She give great head/deep throat whilst I gave he pussy some serious licking and fingering. She liked this can was very wet and I think came. Finally we move to 69 with me on top F**king her mouth whilst giving her RO. Then CIM & swallow.

Had a chat, showered and left.

She is a very good punt and will certainly visit again. Treat her well not many like her around.
