The Premises:

Slightly tricky to find. Eventually (after ringing wrong doorbell..doh!) managed to locate the exterior metal staircase to flat.

Inside perfectly ok. Basic but seemed clean enough.

The Lady:

Physically.. she is a real stunner. Slim, beautiful body, cute little breasts, raven-haired. As per pictures!

The Story:

Her physical beauty put so much lead in my pencil that I was struggling not to come after a few minutes of OWO.

Her oral technique ... not outstanding but due to my incredible hardness everything was amazing!

She is sweetly shy and needs some guidance but everything was done with a willing smile and a eagerness to please.

Her pussy is tight but I did not spend too long banging as I was desperate to let her taste my spunk!

She was back down on my cock and this time I went for the finish line!

I probably would not visit again (as she is so far away from my usual territory) but I will always remember shooting my load into that beautiful mouth.
