The Premises:

Nice modern flat with plenty of parking in the Sports Centre car park.

The Lady:

Her photos on the website do her justice, although she has gone blond and looks even more stunningly gorgeous for it. I'm not normally a boob man, but Sophie might well convert me!

The Story:

From the first kiss I knew I was going to enjoy this session. She made all the right noises as I gave her reverse oral, and when she had recovered her composure she reciprocated in style. I couldn't resist the temptation and after a tit wank I came all over them.

Seconds out, round two and Sophie soon had me ready for action. Her on top was great as I watched and played with her boobs. Then on to missionary and deep stick. It transpired that she'd been a very naughty girl so I had to take her across my lap and give her bottom a good spanking before finishing the action doggy style.

Can't remember when I last had such a good time, but I know I'll be back for more.
