The Premises:

Modern apartment just off Broad Street, clean and safe, parking can be tricky during busy times around the Broad Street area.

The Lady:

Looks about 19-20, long straight blonde hair, very firm chest, bum looks good firm and somewhat toned, small hourglass figure you can easily throw around the bedroom, totally smooth shaven haven, gorgeous beautiful yet cute face and smile, pretty eyes.

The Story:

She turned up wearing smart clothing, trousers etc. Very bubbly outgoing sweet personality with a hint of shyness at first.

Into the room exchanged the donation, off to the bathroom she went, 5 minutes later she came back smiling wearing hold up stockings just as i requested. Instantly turned me on seeing her perfect figure.

Had a brief chat, then onto some FK and feeling her up, onto the bed for mish and mixture of LFK and DFK, tight at first. Then we did cowgirl, some doggy, on her back her legs over my shoulders. Tried some 69 and OWO. I adore DFK and she always let me kiss her when i wanted to. Sexual skills id give her a 7.5/10, or 9.5/10 for her age.

Her body seemed most responsive while in the missionary position which was great as i love to kiss.

The whole time she seemed to genuinely and enthusiastically enjoy our time together, her DFK was somewhat passionate yet very nice.

Sorry for no negative points but there isnt any for this girl. I dont think anyone would not have a nice time with her, she is gorgeous in every way and id marry her any day if she'd let me.
