### The Premises:

Appartment in residential area in Milton Keynes. Nice. Quite ok.

### The Lady:

About thirty. Brunette. Photos are real.

### The Story:

Good looking, not fantastic though. Started out with a bath ... very nice. Followed by a nuru massage. Good experience, but I do not think I will repeat. Having a woman sliding back and forth on your body using her full weight .. although she was not fat or big ... but actually beautiful ... still is not something that turns me really on. But, after the nuru came some better fun, so altogether I might see her again, but will skip nuru.
