The Story:

I last saw Frankie some 6 months ago, shes had been taking some time off, I must say her pictures do not do her justice and she has such a friendly manner, could not wait to under dress her and get straight into action i slowly pulled down her g string to see her beautifully shaven pussy i could not wait to DATY and god she tasted sweeter than i can remember... i couldn't wait any longer so on with the condom which she expertly put on with her mouth... i bent her over and pushed it into her pussy she felt so tight and wet i was in heaven then i flipped her over could not resist to slid it into her arse it was so wet with pussy juice it just slide in she was very very vocal encouraging me to fuck her harder loved every minute with her cant wait to see her again
