The Premises:

Carla,s location is on the edge of the Jewellery Quarter a nice area, safe and quite busy nothing to draw attention to the activities. Parking is easy and free within 100 yds of her location

The Lady:

Carla is petite and curvacious. Age about 42 with blond hair in a bobbed style and I commented to her a resemblance to Sue Barker apparently not the first to make this remark. Her face is not shown on her web site but please be assured she will not disapoint.

The Story:

Needed a quick visit at the end of a stressful day and Carla undoubtedly resolved my stresses. Greeted at the door in see through top and tight skirt (as requested) with genuine stockings and suspender belt. She quickly unbuckled my belt whilst giving me a long and smouldering kiss. I was quick to respond in that department but not being disposed of the need to reveal all in print I will leave the reader to find out just how good a service Carla can give by seeing her themself. There are a number of disappointing reports on independant ladies in Birmingham recently but I can assure any punter who visits Carla will not be dissapointed and my time booked was well over run. The phone rang during my visit and even though I was well over time at that point she would not attend to it. I did recieve her undivided attention and it was fantastic. A reason to return in the near future is essential.
