The Story:

Had difficulty finding the apartment and the room, so was about 8 minutes late. Got in the room, and paid, and Crystalia was mucking around killing some time. Requested a glass of water. Crystalia seemed to be not very enthusiastic, and didn't offer to help undress me. But as I was undressing, every time I turned back to look at her, she would remove an item of her clothing like a mini-striptease! She really is a beautiful Romanian woman!

Spent a bit of time playing with her breasts, before moving down for DATY. which she seemed to enjoy. Then she put a rubber on and gave a fairly poor blow job (not much sensation due to it being a thicker flavored rubber. after about 7 minutes she all of a sudden said "Sex now?" Started off with some Doggy, and some missionary. Unfortunately the sofa bed was so uncomfortable that it was a huge obstacle in the punt experience.

Also her English was not very fluent so it made for a bit of a waste of time.

She removed the rubber and said, Shower? I had a super quick 2 minute shower then returned for round 2. Ended up DATY for a solid 15 minutes, then was gearing up for round 2, when she looked at her watch and said "Sorry - no time" It was 1:53, and she basically signaled for me to get dressed and leave. This was more than a little disappointing.

No real GFE was offered, as she wasn't interested in kissing and seemed rather unenthusiastic!

I think, maybe she was tired and that if the sofa-bed wasn't so crappy it'd make for a better experience. Overall - Looks 10/10, Performance 7/10 A true stunner with an awesome body. but unenthusiastic, and a time staller/critic. Recommended but with reservations
