The Story:

Having been over a year since I've last had the opportunity to enjoy myself in London, I browsed through the usual websites until I came across Elizabeth.

From her photos she looked exactly my "type" - tall, busty and brunette.

Phoned the agency, made the arrangements and made my way over. All arranged without a hitch.

Elizabeth welcomed me with a big smile, and quickly offered me a glass of wine. Conversation with Elizabeth was very easy, she managed to put me at ease very quickly, and I was impressed with her intelligence.

Then it was time for the business side of the evening, and while I don't like to go into detail, I would like to say that as I unwrapped Elizabeth, I found myself facing one of the most spectacular figures I've had the pleasure to see!

All too soon it was time to leave, but I have already been making plans for a repeat visit to London to see Elizabeth again - overnight this time :)
