### The Premises:

It was a very clean flat close to the station.

### The Lady:

Very attractive much like her photos, and a incredible body.

### The Story:

She seemed like a nice girl, but not suited to this line of work.  
FK was not on offer despite what it said on her profile.

It was very mechanical, and from her facial expressions it was clear she hated the appointment almost as much as i did.

A big time clock watcher, telling me i had 15 minutes left, in mid flow.

In short a waste of money.
