Tall blonde looks to be in her late 30's

### The Story:

I had a 2pm appointment got there a little early as this was the first time at samanthas, shown into small waiting room with tv in the corner and offered a drink, 10 mins later the receptionist came back and showed me to the bedroom, paid the receptionist ?50 and had a quick shower and dried, chantelle came into the room at 1:58pm, i was expecting a blonde girl in her mid 20's as advertised on the website but she looked late 30's or she just looks really old for her age, a little bit of small talk and asked if i'd like a massage, i said yes, a quick back rub with a bit of talc then i turn over and she shoved her boob in my face and said suck that then she offer me the other one i went to lick it she said that hurts would you like oral, i said yes, with or without, with out, a quick lick and suck only lasting a minute or two, she then asked would like sex i said yes, i asked her to go on top but she said her legs hurt would i so i did only for about 2mins then she she said do me doggy this only lasted for about 2minutes, then she said i'll do you by hand she puts some cream on and started giving me hand job, guess what after about 2mins she said my hands hurting you take over your not going to cum so i did, she started to get of the bed and said the 30mins was up but i looked at the digital clock on the floor in the corner of room and it read 2:15, she went and looked out the window so i carried on brought myself of she then turned round and said youv'e cum you owe me an extra tenner for oral without,got dressed paid the tenner, she asked me were i'd been before and she told me i worked there, i thought the reason your not working there now they have standards of service the require from there girls.

This was the worst experience with a girl i've ever had she made it clear she wasn't really intersetd and just wanted to get it over and done with and get out the room, she even said youv'e had everything on the menu, i was sat back in my car for 2:20, don't waste your time or money, left feeling i'd been rinsed, there are some great girls at other establishments in the region who give 110% and you leave with a massive smile.

I would not recommend chantelle and i would never return, i should have made a complaint to the

receptionist, she is also the same chantelle who works in crewe, this is my first bad experience and my first field report, thats how miffed i am.
