The Lady:

Well-mannered, well spoken, intelligent young lady with a Latin American look. Beautiful face, lovely shoulder length curly hair, smooth chocolate skin, fabulous boobs, toned, taut and tight.

The Story:

This beautiful young woman is flawless. If I wasn't old enough to know better I would be absolutely besotted with her. The best GFE punt I've had in a very long time. Her manner is understated but she simply exudes sensuality from every pore.

I was offered a drink and a shower, which I accepted.

The session starts with long, lingering, hot and deep kisses. I was in heaven. Eventually we got round to removing the last of our clothes. I feasted long and hard on her deliciously sweet pussy, which ultimately brought her to an orgasm. My cock was treated to an exquisite mastery of OWO. Our dalliance ends with a hard ride in mish.

I envy the guy who ends his days with this beauty.
