The Premises:

A nice clean and comfortable 1 bedroom apartment. Parking outside was easy and area felt safe. The agency was clear about directions. This report refers to a visit made a few weeks ago, so the date may not be exactly correct. I've used this agency a few times and always found them very friendly and efficient.

The Lady:

Sally says she's 28, but she looks younger. Petite, voluptuous, and friendly. A sexy girl next door rather than a porn-style stunner, but she's the kind of girl next door who makes you wonder (a) what she looks like with her clothes off, and (b) what she's like in the bedroom. For an astonishingly reasonable ?100 you can spend an hour finding out the answer to both questions.

The Story:

A very enjoyable hour. After a shower, we kissed deeply while she peeled herself out of her clothes revealing what must be among the best natural breasts in Manchester. Lots of kissing, OWO, RO, and long bouts of play with her oiled breasts. Watching my cock slip between her fantastic breasts, sometimes into her mouth, was a great experience. I finished off, naturally over her fantastic tits, and had a nice chat afterwards. A lovely friendly girl and a wholly fun experience. Recommended to all who like to play with shapely firm natural breasts.....which must be practically everyone....
