The Story:

Lovely sunny day so got the trussed steed out to travel North to visit old haunts in Sheffield. Decided to give Diplomat a try - wish I'd checked with Punternet before doing so as there is a string of bad reports which I am adding to. Let in and shown 6 girls by the host, chose Aneta (I thought she was called Annika but sure same girl as previous correspondent) who was by far the prettiest. Told two services was ?45. Always a warning when they say that - it means no pleasant experience - just mechanical performance. Aneta said she spoke little English but did know enough to tell me that OWO was ?20 extra and when I went to kiss her told that kissing was extra. Very poor back massage, half-hearted OWO with me telling her to stop wanking me and covered sex in doggy. After giving me a quick wipe she told me where the shower was and left - didn't see her again. Let myself out. Would have commented to the proprietors about the experience if asked but as they didn't I couldn't be bothered. They do need to sort the attitude of these girls if they want repeat business. I won't go again until I see better reports.
