### The Premises:

Nice very quiet clean and tidy basement flat in quiet back street off Kensington High Street.

### The Lady:

Lauren is a well rounded voluptuous lady in her 50s with an amazing pair of boobs.

### The Story:

One thing you can be sure about Lauren is that she thoroughly enjoys every moment of her session and her OWO skills right down to her great pride in making you cum when she wants not once but as many times as you are capable of. There is definitely no clock watching by the way.

Lauren insists on swallowing and introduced me to rimming (at no extra cost) again for which she has superb skills.

Apart from all that she is just fun to be with, highly entertaining and enjoys a glass of wine or two.
