The Premises:

suburban house in small country village outside solihull. Well safe!. nicely furnished. spiral staircase up to Peaches room. That had en suite.

The Lady:

dark hair. about 5'6" or a bit less. nicely slim without being skinny. wearing a purple dress, and it turned out, matching underwear.

The Story:

Arrived and shown to room. Offered drink of water which was welcome cos it was a hot and sticky day. did the paperwork, then offered shower.

after that nice OWO session moving on to 69. Peach never took her knicks off (as asked) so that was with the pulled to one side, which i love. Really nice oral to finish.

bit of a cuddle and a chat then i left walking on air.

really lovely. Thanks Peach. just not long enough -but that was my fault.
