The Premises:

Well known flat, been there for years. Grotty back alleyway to door but flat OK. Was though a bit put off as went up stairs by very smoky smell. Room OK.

The Lady:

UK-born Indian girl, I'd guess late 20s/early 30s. Nothing like description on phone. She was chunky with a big gut. Not pretty and way below standard for establishment (said it was her first day there so hoping she won't stay).

The Story:

Dreadful experience. Girl clearly wasn't happy to be working there, moaning that she earns a lot more in other places (so go and work there instead then!) Gave an OK but unenthusiastic OWO but wouldn't take CIM (unlike most other girls at the establishment). I managed to cum after an oily handjob. Waste of time and sincerely hope she moves on. Cynical hardbitten WG. Not recommended in any way. Avoid.
