The Lady:

I have seen Ashley once before and had a good experience, although I have to say I didn't recognise her this time, she looked amazing. She is the spit of the porn star Jane Darling. A gorgeous lady, curvy bombshell blonde with boobs to die for.

The Story:

Well, started with massage then on to owo which she does really well, then reverse oral. Started with some doggy, then mish and 'a'. Finished with 'o' to completion. Lots of eye contact which was a real turn on.

This is gonna be my last punt, and what a girl to finish on, very sexy lady and has a good attitude and manner aswell, thank you ashley!!!
