The Premises:

Same place as described previously - Between Paddington Green and Little Venice. This time I treated myself to a glass of her Penfold Merlot. the room feels cold to begin with, but by the time the action gets going you realise why it has to be that cool. ;-)

The Lady:

Gorgeous as described before too. - Check out her pictures on the website.

The Story:

Aisha has put her prices up, and tends now only to see regulars and favourites, an indication of the demand that she is in.

Great session. Started with shared bath. This time she did a hot then cold towel wrap. Very nice. Great oral.

And so to bed. As we didn't do anal last time we made up for that this time. After 69 it was doggy anal plus mutual fingering. All really frenzied. Crashed back to earth totally wiped out. She is just so responsive.

As I left I promised her I wouldn't leave it 8 months again and I won't.
