The Premises:

1 bedroom basement flat. The parking can be a bit of an issue, as there are traffic wardens prowling the area, but if you're lucky you can get a spot that allows you free parking for up to 2 hours with no return.

I recently saw a different lady at this same address, so I now can confirm that it's being used as a "knock shop" flat, but for indies. The other lady, "Horny Adeline", (who was very good) claimed to be Italian, as does Katherine (AKA as "Naughty Julia", or "Gorgeous Katherine. She'll probably be known as something else by the time this report is up.

The Lady:

Petite brunette. Tidy figure with nice bottom and small attractive breasts. Latin looks, or perhaps Eastern European.

The Story:

I guess my number had come up! This punt started quite "coldly", but I foolishly thought I might be able to warm her up. That is to say, she did do FK (not "D" at all) at the start of the session, and was tender and mildly responsive, but it all seemed to fizzle out and halfway through she was unenthusiastic and dispassionate, in spite of my having taken a shower before, and asking if she was feeling and trying to help her enjoy it, by trying to be light, funny, engaging and give her enjoyable reverse oral. She claimed afterwards that she was "just tired", but I suspect rather that she's not cut out for being a WG. I wonder if it would be stretching a thought too far to question if she had in any way been coerced? As I have no proof other than her dreadful, dismal service to me today, I'll have to assume not.

Don't perpetuate this kind of exploitation of them, or us punters. Don't go and see her. I'd venture that there's a pimp who has paid for the flat and who is taking a tidy profit from the transactions, and I don't wish to be paying them their salary.
