### The Premises:

Acceptable flat on High Street Ken, about 5 minutes walk from the tube. Shared with one other WG (did not meet)

### The Lady:

Slim/petite brunette with small but nice firm breasts. Presentable looks though face pictures are heavily airbrushed. Very youthful body though I suspect five years may need to be added to her advertised age.

### The Story:

An interesting punt. Jolie (aka Joy with Best Escort 4U and Joanna at Eternity Girls) is a Latvian woman who is both intelligent and actually enjoys sex (or least if she was faking it, her acting was top class). I wish I met her a few years earlier.
