The Premises:

No problems finding it and it was clean inside.

The Lady:

A pretty girl with a good body.

The Story:

A curvy girl, does look like pictures only I would say that they have been airbrushed. A pretty faced girl who was very friendly and chatty.

Kim has a curvy feminine figure which was lovely and soft. I did have a play with her clit and then went on to lick it and it tasted nice and sweet. Sex was good. An energetic girl who wasn't shy! A good session with a great sexual partner.
