The Lady:

The pictures on the website do not do her justice at all (get some new pictures!), She is gorgeous with legs that go all the way up to one of the cutest bums I've ever had the privilege of looking at and the rest of her is just as good with the sexiest smile and a very dirty laugh!

The Story:

Where do I start? she is everything they say on the website and yes it is a true GFE experience, she is a great conversationist (just one of her talents!) I'm not going to go in to detail but to say in all my years of punting this is the first time I have had (the balls?) to write a FR. Finished off with a chat, it felt so comfortable and I can't wait to back.
