the establishment was very clean and as been recently refurbed,
the door is on a busy main road but has a rear entrance up a metal staircase.

The Lady:

i was introduced to 2 lady's and was about to choose when sophie came into the room, i've not seen her before but she looked stunning tall, blonde, with a fantastic figure, so i chose her.

The Story:

this is my first report ever in all the years i've been visiting these places but feel the need to tell someone. as i was undressing sophie came into the room and we started chatting, i laid on the massage table and she began to give me a nice but firm oil massage, she asked me if i like large or small breast and as i had not really noticed sophies at this point i just said i did'nt mind either. she gave a perfect massage and plenty of rubbing my cock between my legs while i was facing down, for some reason this is the only way i can get an erection, i had already decided on sex with her during the massage, so when she asked me to turn over and she was undressed whoow, my jaw dropped now i have this thing about the perfect breast & nipples only ever seen in pictures, could not beleive what i was seeing this was them, nice size with the most suckable nipples. something that i've never had before in this parlour was the kissing she did it throughout the service. i had sex with this beautiful girl from behind and mish until i could not hold back any longer, what a cum the best in years it felt like it was never going to stop. if I had to score Sophie out of ten she would get eleven. i drove all the way home from this meeting with my groin aching and a smile. the only downside was she's now gone on holiday for 2 weeks, i will be back though chaps. what a Star.
