### **The Premises:**

This walk up is on a quieter Street than most and the top floor flat is clean.

### **The Lady:**

Alexia is a Romanian girl, around a dress size 12, with large D cup breasts. She had red highlights in her hair and could have been mistaken for being Indian.

### **The Story:**

It was a typical Soho punt, with not much by way of foreplay by her on me. I got semi erect fairly quickly and on went the condom. She climbed on top which gave me the ideal opportunity to play with her big breasts. We then switched to missionary and after a couple of minutes I asked to be finished by hand. This was a bit too vigorous at first so I asked her to slow down before I finally came.
